

 *Your Supplier for Empty Hard Capsules!*

GoCaps 

Your Supplier for  
Empty Hard Capsules!

GoCaps® is your reliable supplier for empty hard capsules. For over a decade we are working in the empty hard capsules industry with growing success.

We are the European Commercial and Logistical Center of Farmacapsulas S.A./CapsCanada, one of the leading hard capsule manufacturers in the world.

The Global Brand for  
Empty HPMC and Gelatine Capsules

Our main focus is to satisfy customer's requirements for hard capsules both in the field of nutritional/food supplements and the Pharmaceutical industry. We are proud to serve many long standing customers with success, proving ample evidence of our capsules' high quality level.

#### Fast delivery all over Europe and beyond

Through our high-rack temperature controlled warehouse, located in Germany, we are able to deliver our customers all over Europe within five working days.

#### Compliance

- ✓ Production facilities are GMP and ISO certified
- ✓ All ingredients meet the applicable pharmacopoeia (USP/NF, EP, JP) and/or local regulatory standards
- ✓ All products have Drug Master Files (DMF) registered with the FDA

#### Take advantage of our strengths

- ✓ Excellent machinability
- ✓ High and constant capsule quality
- ✓ Minimal lead time
- ✓ Technical support
- ✓ Personal and adequate customer services
- ✓ Optimal price quality ratio
- ✓ Climate controlled, high-rack storage

## The Leading Gelatine Capsule

G-CAPS® hard gelatine capsules mean excellent technical properties. Many years of use provide evidence of our capsules' high quality both in food supplements and the pharmaceutical industry.

We are the only vertically integrated gelatine capsule manufacturer worldwide (this means we produce our own gelatine to manufacture capsules).

Vertical integration stands for secure long-term supply, full traceability, superior and constant quality.

GoCaps
